RECEIVED,  
SECRETARY OF THE SENATE

H.D.

Dear Ms. Brady,

This letter is in response to your preliminary review of the Chris John for Senate 30 Day Post General Report. Schedule A of that report appeared to disclose one or more contributions received after the primary election yet designated for the primary. The contributions in question were actually designated for the runoff election. However, due to an error with the reporting software, the correct designation for these contributions was not marked on the report. (The software makes a note of the runoff election cycle, but does not mark the associated box, and thus there appears to be no election cycle chosen. Accordingly, these contributions appeared without specific designation and were thus attributed to the primary election. We have attached an amendment including the contributions mentioned; adjusted to reflect their accurate designation for the runoff election cycle.

In addition, Schedule C of the Post General Report noted a loan made by Chris John to the Chris John for Senate Committee. This loan was made to the committee using personal funds and the attached amendment reflects this information.

Finally, the committee has discovered more information detailing disbursements made that would impact the cash on hand for the Post General Report. We have amended the report to take account of these changes.

Thank you in advance for your consideration.
